Muriel Haïm, Esther G. Freifeld, Mathilde Hatzenberger and Kimon Fotiadis are pleased to announce you to the special night sales event that artist **Pierre Dessons** will dedicate to A Heart for Peace (**Un Coeur pour la Paix**) a non-profit organization collecting funds to offer free heart surgery to Palestinian children at the Hadassah Hospital. 20% of all sales will be donated to the project.  
Tax deduction is applicable to all donations via the **King Baudouin Foundation**.

Thursday, February 16, 2012  
6-9pm  
**MH Gallery**  
Rue Haute 11 (near Sablon Square)  
1000 Brussels

**A HEART FOR PEACE:** a Hadassah Project raising funds to finance acquisition of high performance equipment for early detection, carried out in the West Bank, of genetic heart defects in Palestinian babies and infants, offer free heart surgery, by both Palestinian and Israeli surgeons, to Palestinian children at Hadassah Hospital, transfer medical competence by training Palestinian physicians in the West Bank and generally maintaining ongoing collaboration between Israeli and Palestinian doctors in the region.

Since its foundation in 2006, A Heart for Peace was able to save the lives of 400 Palestinian children.

**HADASSAH:** Medecine as a Bridge to Peace.

Hadassah Hospital, a model of excellence for medicine, medical research and peaceful coexistence, where about one million patients, from all parts of the world, are treated on a yearly basis, without any regard to their origins or religions.

Hadassah has been internationally recognized for the quality of scientific research coming out of its laboratories and exported throughout the world, in an extensive number of fields such as cancer, AIDS, genetics, stem cells, MS, Alzheimer disease, Parkinson's disease, ophthalmology, pediatric cardiology.

Hadassah was nominated to the Nobel Peace Prize in 2005.

**MH Gallery** / [www.mathildehatzenberger.eu](http://www.mathildehatzenberger.eu)

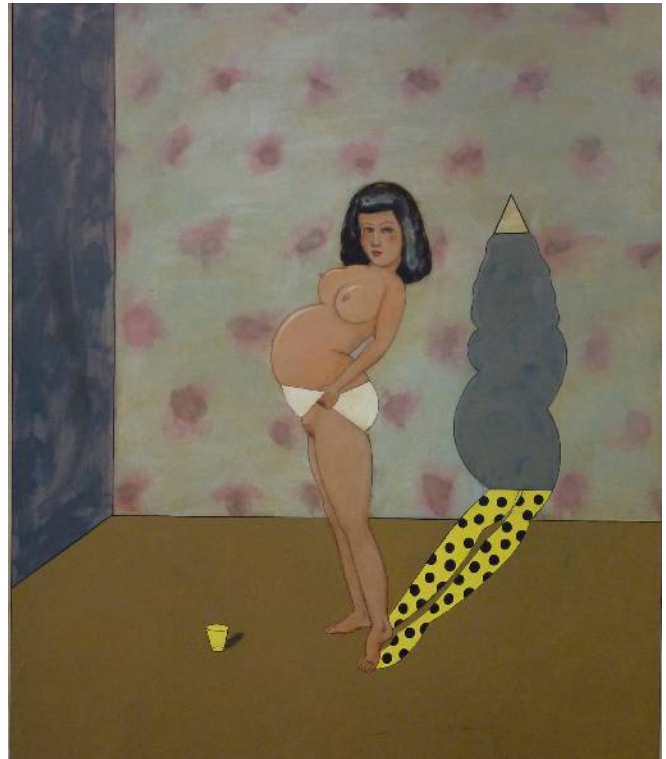

Founded in February 2011 and located rue Haute 11, below Sablon square, MH Gallery specializes in contemporary art and represents a number of living artists, including so called emergent artists like Gabriel Leger, Shanaz Roulin, Yoshie Sugito, Mai Tabakian and more established ones like Fabienne Auzolle, Agnès Baillon, Claude Panier, François Weil and Dessons.

## Pierre DESSONS

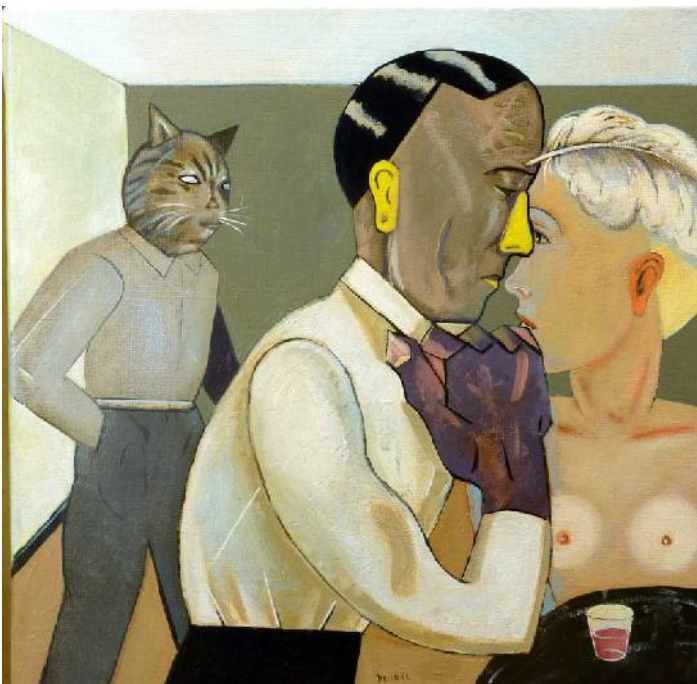

French painter and sculptor, born in 1936, Pierre Dessons has been recognized on the international art scene for the last 50 years. His deeply poetic expression unravels in ambiguously magical figures.

*L'architecte*, inted bronze, edition of 8

*Marie la Juive*, 192x162 cm

*Baiser de plume*, 2011, 44x44 cm

*Maman, je t'aime*, painted wood and glasse.
