# SALON ZÜRCHER NEW YORK

## **ABOUT:**

The 16<sup>th</sup> Edition of **SALON ZÜRCHER, NY** seeks to represent an emerging art world inside and outside of New York City. Between our two galleries, Zürcher Paris / New York has hosted 15 mini art fairs, which have been major successes and garnered very positive media attention. Zürcher Gallery is located in the East Village, in walking distance from the lower east side art scene and the New Museum. **The salon will function as an accessible yet impressive, small but representative art fair, this year showcasing 6 galleries including galleries from Brussels, Paris, and New York.** Salon Zürcher, NY offers visitors an intimate alternative to the large-scale, superstore style fairs during The Armory Show in New York.

**i-Robot Tai-Chi**  
by **Bonnie Tchien Hwen-Ying**

**Performance on Monday, February 27<sup>th</sup> at 7:00 PM**

After a massage around the eyes by stimulating the acupuncture points... The high-frequency vibrations are providing an intense feeling of relaxation. The body doing Tai-Chi wanders into a strange universe between tradition and modernization of our well contemporary life today.
